We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance.

Premier Felt Notice Boards

Care and Maintenance

Recommended Procedures

Dust down with a soft, clean brush only. Do not use excessive force when removing staples as this may damage the material. Water or cleaning agents should not be used.

To reduce the risk of fire, please make sure that notices on the board do not protrude out of the board and are in single layers. Notice boards should not be fitted near, or directly above any gas heaters or other sources of combustion.

We offer a range of different fabrics and finishes: Polyclour FR, Camira Cara, Camira Lucia, Corded Hessian, Charles Twite, Cork, Galaxy Screen, Sundeala and Forbo Nairn.
